

IV. AUDIT OF CLINICAL COMPETENCE AND EXPERIENCE

1. Structured Training Log Book

- 1.1 This log book is a record of competence achieved, and its main purpose is to document the trainees' attainment of the required competence for a specialist in obstetrics and gynaecology.
- 1.2 Trainees are required to complete the skill targets in the various modules of the log book up to the level appropriate to their stage of training.
- 1.3 Trainers should certify specified areas of competence of the trainees as they are attained.

2. Quantitative Log Book

- 2.1 This log book is a record of experience, and its main purpose is to document the trainee's involvement in clinical and other activities required for training.
- 2.2 Trainees are required to record the various activities and experiences as stipulated and to make detailed reports on 10 obstetric and 10 gynaecological cases, which are unusual or complicated.
- 2.3 The following serves as guidelines for the minimum amount of logged experience for 6 years of specialist training;

<u>Procedure</u>	<u>Number</u>
Caesarean section	100
Operative vaginal deliveries	100
Major abdominal surgical procedures	60
Laparoscopic procedures which must include more than 30 cases in level 2 and more than 10 cases in level 3 (as defined by the College)	50
Major vaginal surgical procedures	10
Evacuation of uterus/termination of pregnancy	50
Hysteroscopy and/or dilatation & curettage (at least 1/3 should be hysteroscopic examinations or procedures)	100
Colposcopic examinations with or without related procedures. (The trainee must perform at least 50 examinations where there is pathology of the lower genital tract)	100
